Missions: Each round a randomly selected mission from the mission type listed on the schedule will be determined prior to the start of the round. Once a mission is selected it will not be used for the rest of the tournament. In essence you will play six different missions but you will not know which missions they will be until the start of each round. The judges will have three bags each containing one chip for every mission under each mission type. One bag will contain all the Fair Fight missions, one bag will contain all the Mobile Battle missions and one bag will contain all the Defensive Battle missions. Each round a player from the tournament will be asked to draw a mission chip from the respective bag to determine which mission will be played.

Rules and Regulations for National Tournaments

- All armies must be fully painted. Any miniatures not fully painted will be pulled from the table prior to starting the tournament.
- Rounds will be determined by game play results and each player will be seeded with an opponent of their caliber. Battle point match-ups are a higher priority than any other form of match-up so be prepared to play any army type or opponent.
- We will also attempt to match up Axis vs. Allies whenever possible but do not expect every game to work out historically.
- For the first few games we will attempt to avoid matching up same club members.
- Players are responsible for monitoring the time and the judges will announce time intervals throughout the tournament. A true act of sportsmanship is not starting a new turn if both players will not be able to finish that turn. The game should be called if both players cannot finish their turn and the results should be calculated.
- When time is called the game must immediately end regardless of the action taking place in the game. New turns cannot be started even if starting a new turn would award an immediate victory or cause a player to make a company morale check.
- If two fortified companies face each other then they will play the No Man's Land Mission.

MID WAR

- Please refer to the following list of books, PDFs and website articles for legal armies.
 - Eastern Front

Unit histories are not necessary but we will consider any unit histories as part of your Armies on Parade score. **Exception:** Any player who qualifies for Nationals after June 22, 2012 and if you plan on attending you must submit your army list ASAP. Army lists **must** be submitted to USNationals@battlefront.co.nz on the generic army list excel spreadsheet located on the Flames of War website and include the following information:
 - Player's full name

Scoring: We will be using a simple software spreadsheet and here is the scoring breakdown we will use for the 2012 Nationals:

- Scoring Breakdown
 - Generalship: 70%
 - Sporting Play: 20%
 - Historical Army: 10%
- Draw Match-ups Ranking
 - Victory Points then Wins
- Generalship Scoring
 - Victory Points + 1 additional point for a Win

Awards: Here is a list of the awards that will be presented and how we determine the recipient. We determine the winners in order of the priority from top to bottom and no player may win more than one award with the exception of Player's Choice and Favorite Opponent. A player may win one or both of these awards as well as another award because the Player's Choice and Favorite Opponent awards are determined solely by the players and the remaining awards are determined by performance.

- Overall Champion (Generalship + Sporting + Army)
- Best General (Generalship)
- Best Sport (Sporting + Favorite Opponent votes)
- Best Army (Army + Player's Choice votes)
- 2nd Place Overall (Generalship + Sporting + Army)
- 3rd Place Overall (Generalship + Sporting + Army)
- For the Fatherland (Generalship + Sporting + Army for German players)
- Forgotten Hero (Generalship + Sporting + Army for Minor Axis players)
- For King and Country (Generalship + Sporting + Army for British players)
- Old Blood n' Guts (Generalship + Sporting + Army for US players)
- Hero of Mother Russia (Generalship + Sporting + Army for Soviet players)
- Favorite Opponent (Favorite Opponent votes)
- Player's Choice (Player's Choice votes)

Tiebreakers: In case of a tie all tiebreakers use the following order to determine a winner

1. Generalship
2. Number of wins
3. Sporting
4. Favorite Opponent votes
5. Rock, scissors, paper (Best 2 out of 3) ☺
